

SSBVM is Ready!

As we prepare to open our doors for the new school year, we are so grateful for the generous support of individuals, families, businesses and the SSBVM parishioners.

You have made it possible for us to provide an exceptional Catholic education to our students. We are always thankful for your support- It has been especially important over the last few months as we have faced the challenges brought on by COVID-19.

SSBVM is Blessed!

YOU are an essential part of the SSBVM community and we are grateful for you!

It is through your support that SSBVM is able to create the culture of joy in which we grow each student into the person they were created to become!

SSBVM Thanks You!

SSBVM Didn't Miss a Beat!

During the Spring 2020 shut down, other students may have found themselves without academic guidance, but SSBVM teachers had virtual face time and lessons for students every school day beginning on the first day of quarantine. SSBVM principal, Rebecca Harvey, met online with the whole school every morning to start our students' day with a positive message.

SSBVM staff devoted their summer to forming protocols to bring our entire student body SAFELY back to campus. Our school will continue to be a refuge of peace and love during these uncertain times.

SSBVM Teachers Are Golden!

Mrs. Cynthia Gotowski, who has taught middle school language arts at SSBVM for 13 years, has been recognized with the *Golden Apple Award* by the Diocese of Harrisburg for her "outstanding devotion to Catholic schools and students".

We are so grateful for Mrs. Gotowski and all our remarkable teachers!

SSBVM Families Appreciate You!

Last year over **\$42,443** was raised for student scholarships! Your generosity allowed us to grant **32%** of our student body financial aid.

SSBVM Looks Ahead!

We have implemented a new Development program at for our school. Lead by our new Director of Development, Mindy Kennedy, SSBVM continues our commitment to keep tuition affordable for any family who seeks an exceptional academic experience in a caring, Christian environment.

Catholic School Makes A Difference!
